

*News for and through Immanuel Lutheran Church & Student Center (LCMS), Macomb, IL.*

For many of us, this was the way to get to school. No seat belts. Unwritten but clear seating arrangements. A mixture of fear and excitement in our minds. I rode the bus from kindergarten through sophomore year, and don't regret it at all.

For some of our college students this was the way to Church in the 1960s. Dr. Arnold Wendt would drive the old bus around the WIU campus and then bring students to our Church on Grant St. Perhaps fear and excitement were in them, too. Then the Student Center was opened in '69. More students came to worship, but the bus was unnecessary.

Still, that bus\* is a reminder of Immanuel congregation's early commitment to our college students. That commitment continues today, and it's beautiful and helpful. You welcome students in worship and in social events. You provide meals and enjoy them together. You give them opportunities to serve. You mentor them overtly and silently.

The Church is the Body of Christ. Jesus is the Head. Some of us are hands on the steering wheel, others are ears that listen. Some know how to fix the bus, and some know how to teach a Sunday School lesson. On and on, we go and grow as the Body of Christ. Not existing for ourselves but for others. For sinners who need to be reconnected with the Church. For sinners who have never heard the truth of the forgiveness of their sins. For the life-long Lutheran in the bus seat next to us who needs to hear us sing and confess the Creed, because today it's too difficult for them to get the words out. I'm glad you're here. They are glad you're here. Even without seat belts. Let's go.

\*We would love to locate a picture of that old bus. Help!

**STUDENTS AND MEMBERS:** We are not going away for a Spring Break Servant trip this March, but we are seeking to serve. please consider our "stay-cation" of serving here in Macomb for two-and-a-half days. The plan: students head home for Spring Break on Friday, March 8th, then return on Thursday, March 14. We'll provide all meals, and accommodations for students will be at the student center and the parsonage. Volunteer work will be done at the student center, the church, and in the community. Devotions will focus on servanthood and the Gospel, and a little field trip will be included. There will be good work, good friends, fun, food, and a positive impact where we live. **Are you up for it?** Sign up on the clipboard in the narthex! Thank you. Oh, the cost? Your time and talent, which are tremendously valuable, but zero \$\$.

God has called Lutheran Hour Ministries to proclaim the risen Savior around the world. LHM's members and partners come together to meet the greatest challenge of the 21st century—to proclaim messages of hope in the name of Jesus Christ. This belief leads us to a clear mission: Bringing Christ to the Nations—and the Nations to the Church. To do this, we will focus on four priorities:

- Energize, Equip, and Engage Laity for Outreach
- Grow God's Kingdom through Expanded Media Outreach
- Bring the Gospel to the Unreached Around the World
- Engage Communities in the Digital Mission Field
